Thanks to Troop 717 who came out to the club for much needed electrical work. They also built 4 new gun racks, 1 for each trap. Thanks to Brian, Nathan, Brandon, Steven, Tanner, and Kevin Dickson.

A special thanks to Vince Nicosia for all his work installing the new modular home. Vince was also voted volunteer of the year for 2008. Congrats.

Thanks to all the members who came out to volunteer their time to score at a PITA shoot, to help with projects, to shoot, or even pick up trash out back. Your efforts are what keeps our club open so we have a place to shoot.

All shooters at the Turkey shoot had a great time and ate well for the holiday with the turkeys they won. Now everyone come out and support ATC at the Ham fun shoot Saturday Dec 20. Lunch will be Chili with all the fixins so please bring side dishes, desserts, chips and dip etc.

March	14-15 PITA
April	10-11 Venture out
June	20-21 PITA
August	22-23 PITA
September	19-20 PITA

Wishing all members and their families, from the Board of Directors
